REPORT

- A free health camp was organised on 26. December.2022, in Specialised Adoption Agency, Gharonda orphanage, Ghaziabad, by Department of Community Medicine, Santosh Medical College, Ghaziabad.
- A total of 30 children were examined.
- The clinical finding were noted on OPD cards which had the stamp of 'health camp'.
- All the children were screened for BMI, head circumference and mid arm circumference
- All children were examined and given prescriptions for various health conditions like rhinitis, URTI, LRTI, gastroenteritis, ASOM, scabies, fungal infections, anaemia etc.

- Patients requiring advanced treatment were advised to visit higher centre (Santosh Hospital) for respective speciality.
- Children were given free medications which included paracetamol, cough syrup, levocetirizine syrup, anti fungal powder, permethrin cream etc. The orphanage care taker was instructed about the medication usage and doses.
- Staff was also involved.
- Children were educated about good hygiene practices and motivated for regular health checkups.
- The photographs are attached herewith.
